Dear Kris and UA Campus Health Services colleagues,

Congratulations on attaining the venerable age of 100 years! At UA Libraries, we know students need many types of support to be successful. Your hard work keeps our students healthy and safe, so they can accomplish their academic goals.

No doubt you receive sincere appreciation from your student patients all the time. Let me take this opportunity to extend a sincere thank you from all of us at UA Libraries. We are proud to be your partners in serving UA students.

With admiration,
