CampusCare is an option that covers most expenses after a designated office visit fee for services provided **exclusively** at Campus Health. Please note that CampusCare is **not** a health insurance policy.

If adding coverage: You will be automatically re-enrolled and billed the appropriate enrollment fee through UA Bursar's office in future semesters (each fall & spring) within 3 business days of showing registration units. Summer coverage is optional and will not be auto-enrolled. If you show enrolled for the CampusCare spring coverage, you will automatically receive an email notification to your official UA email address (@arizona.edu) each May providing you the opportunity to enroll for summer coverage. Arizona Online, AZCAST, & Distance Learner students: Once enrolled, the Health portion of the Health & Recreation fee will be automatically applied to your account.

If dropping coverage: I understand that coverage will cancel effective June 1st and any cost for services rendered during the coverage period will be my responsibility.
