Default Question Block

Campus Health Service Health and Wellness Survey Student Disclaimer Form

You are invited to voluntarily complete this survey. The Campus Health Service Health and Wellness Survey is administered annually to collect information about University of Arizona students' health-related behaviors including substance use, mental health, sexual activity, nutrition, etc. There are no guaranteed benefits associated with completing this survey; but the information will be used to develop programming and to analyze health trends. The aggregate data may also be included in publications, presentations and reports. **This survey takes approximately 15 minutes to complete.** You will not be compensated for your participation. Please read each item carefully.

This survey is anonymous, so please answer honestly.

There is a possibility that information revealed during this survey may be sensitive in nature and could possibly cause emotional distress to a participant. Should that occur, the following Campus Health resources are available to assist the participant:

Counseling & Psych Services (CAPS) Home | CAPS Website (arizona.edu) 520-621-3334

Health Promotion | Campus Health (arizona.edu) 520-621-6483

You can obtain further information from Rachel Abraham, MPH at (520) 621-9341. If you have questions concerning your rights as a research subject, you may contact the Human Subjects Protection Program office at (520) 626-6721 or online at:

http://rgw.arizona.edu/compliance/human-subjects-protection-program.

Thank you for your participation!

NOTE: If you have received an invitation for this survey in multiple classes, please only complete it ONCE.
