**Deadline to drop CampusCare for the Summer is June 22, 2026. Enrollment can be completed throughout the coverage period.**

CampusCare is a bridge program that covers most expenses after a designated office visit fee for services provided **exclusively** at UA Campus Health. Please note that CampusCare is **not** a health insurance policy.

**If adding coverage:** I will be automatically re-enrolled and billed the enrollment fee through UA Bursar's Office in future semesters (each Fall & Spring) within 3 business days of showing registration units. Summer coverage is optional, and you will not be auto-enrolled for summer. Students who enroll outside of the open enrollment period can only make changes during the next open enrollment period.

**If dropping coverage:** I understand that coverage will cancel effective/retroactive to June 1, 2026 and any cost for services rendered during the cancelled coverage period will be my responsibility.
