

How to enroll for CampusCare during a published open enrollment period

Please note that changes can only be made during a published open enrollment period once the student is registered for classes.

1. Log into your UAccess Student Center at <https://uaccess.arizona.edu/>

The screenshot shows the UAccess Student Center interface. At the top, there is a navigation bar with the University of Arizona logo and 'UAccess STUDENT CENTER'. Below this is a 'STUDENTS' dropdown menu with options: Student Center (highlighted with a yellow triangle), Guest Center (green dot), Instructor Center (green dot), and Administrative Staff (green dot). A red arrow points to the 'PERSONAL' tab in the main navigation menu. The main content area features a large banner with the text 'Welcome to the redesigned Student Center!' and a sidebar with 'Enrollment Dates' for Fall 2020 and Summer 2020.

2. In the menu, under the “Personal” tab, select “Campus Health Options.”
(Note: This link is active *after* you have registered for classes for the semester).

This screenshot shows the 'PERSONAL' dropdown menu expanded. The menu items are: Personal Summary, Guest Manager, Campus Health Options (circled in red), Campus Health Info, Veteran Benefit Certification, and Meal Plan. The background shows the same 'Welcome to the redesigned Student Center!' banner and enrollment dates sidebar as the previous screenshot.

3. Select Coverage by checking the box next to “CampusCare-- Plan M”. Then click “Enroll.”
