What is Free Condom Friday (FCF)?

We provide a variety of free safer sex materials and sexual health education resources to reduce the risk of Sexually Transmitted Infections (STIs) and unintended pregnancies

- **Every Friday from 12-2pm** during the academic year in front of Campus Health
- Staffed by senior public health interns

We distribute:

External condoms

Internal condoms

Lube

Latex dams (flavored)

Gloves

787

Students attended FCF in 2020/2021

3,935

External condoms were distributed in 2020/2021

Free Condom Friday Survey* Insights:

**online survey Spring 2021, n=15*

Free Condom Friday makes students more likely to use a condom during sex.

80%

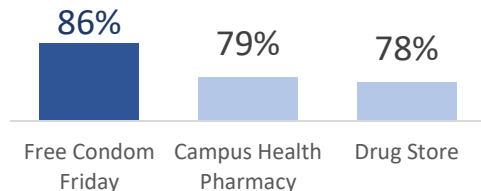

said that because of FCF, they were **more likely to use a condom**

83%

said they would be **less likely to use a condom** if FCF wasn't available

Percent comfortable getting condoms at:

87%

said they **felt more comfortable** getting condoms at FCF than anywhere else

Students reported feeling most comfortable getting condoms from FCF

Students use FCF for a variety of reasons, but mostly because it's free

I go to Free Condom Friday because:
