Attestation of Health Insurance Coverage
International Students Outside the US for Spring 2021

Understanding that The University of Arizona has a mandatory insurance requirement for international students on non-immigrant visas, I am requesting that the Student Health Insurance Plan be removed as I will be outside the United States for Spring 2021. I agree that if I enter the United States during the Spring 2021 period of January 1, 2021 through August 15, 2021, I will have health insurance coverage in place that extends to the United States. If it is found that I do not have sufficient or no health insurance coverage, I understand that I will be forfeiting my right to be considered for future exemption requests.

My policy will meet the minimal requirements below:
• medical benefits of at least $100,000 per accident or illness
• a co-payment not greater than 25% of the covered benefits per accident or illness
• a deductible not to exceed $500 per accident or illness
• a waiting period for pre-existing conditions that is reasonable by current industry standards
• repatriation of remains in an amount of $25,000
• medical evacuation expenses to his or her home country in the amount of $50,000

By signing this document, I agree to the terms of this attestation for the Spring 2021 period of January 1, 2021 through August 15, 2021
