

CENTER FOR  
ENGLISH AS A  
SECOND LANGUAGE

August 23, 2018

Dear Mr. Kreutz and staff at UA Campus Health Service,

I am writing on behalf of the UA's Center for English as a Second Language to extend our congratulations on your 100 years of excellence in serving the University of Arizona community. During CESL's 50 years of existence, many CESL students and scholars have been served by the Campus Health Service. On behalf of them and all of the CESL faculty and staff, we would like to extend our thanks for your dedication to serving all within the UA community, but especially those who may come to you with limited English proficiency.

So, here's congratulations from all of us and a wish for the next 100 years to be as good as or better than the first 100.

Respectfully Yours,

Nicholas M. Ferdinandt, Ed.D.  
Director, Center for English as a Second Language  
College of Humanities  
University of Arizona
